RE: **Expedited Approval of CPHS Protocol #2005-12-24**
"Relevance Ranking and Recommending in an OPAC" - Other - Andrew W. Mellon Foundation - California
Digital Library

Dear Professor Poe:

Thank you for submitting an application for approval of the above-referenced protocol. Your submission has been reviewed and approved on an expedited basis, under category F(7) of the federal regulations, for one year, or less, effective 1/23/2006. **This approval will expire on 1/22/2007.**

Please, however, note the following:

1. The flyer you post to advertise your study must have a CPHS stamp before you can post it. Please submit a final version to the OPHS and do not post any flyers until you have received the stamped version.

The number of this approval is 2005-12-24. Please refer to this number in all future correspondence.

Approximately 8 weeks before the expiration of the current approval, OPHS will send you a courtesy reminder to submit an application for the continuation of the research. Please be sure to submit the application to the Committee no later than 4 weeks prior to the expiration of the approval or we cannot guarantee a timely review. Current forms are available on our website at: <http://cphs.berkeley.edu/content/forms.htm>.

Please note that although the Committee has approved your project, you must bring promptly to our attention any changes in the design or conduct of your research that affect human subjects. If any of your subjects experience any untoward events in the course of this research, you must inform the Committee within ten (10) working days.

If you have any questions about this matter, please contact the Office for the Protection of Human Subjects staff at (510) 642-7461; FAX (510) 643-6272; E-mail: cphs@berkeley.edu.

Thank you for your cooperation and your commitment to the protection of human subjects in research.

Sincerely,

A handwritten signature in black ink, appearing to read "M Potts".
