

Amendment to License Agreement: Online Journal Archive Terms and Conditions

Amendment to License Agreement Multi-Site License dated as of May 25, 2005 between **Springer Science + Business Media, Inc.** ("Springer") and **The Regents of the University of California**, a non-profit academic institution, with its principal offices at **The California Digital Library, University of California Office of the President, 415 20th Street, 4th floor, Oakland, CA 94612, USA** ("Licensee").

The parties entered into a Multi-Site License Agreement ("License Agreement") with an effective date of January 1, 2005. The parties desire to amend the License Agreement to provide for the purchase by Licensee of the Springer Online Journal Archive as described in Attachment 1 hereto (the "Online Journal Archive").

In consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Definitions

1.1 Capitalized items used in this Amendment and not defined here shall have the meanings given to them in the License Agreement unless the context clearly indicates otherwise.

1.2 "Licensed Materials" as defined in the License Agreement shall include the Online Journal Archive.

2. Purchase of Online Journal Archive

2.1 The purchase of the Online Journal Archive by Licensee is effective as of May 16, 2005.

3. Fees

3.1 Licensee agrees to pay a fee [Text deleted] . USD (the "Base Price") for a one-time purchase of the 2005 Online Journal Archive as listed in Attachment 1 of this addendum.

3.2 Payment of the Base Price is due within thirty (30) days following receipt of Springer's invoice, and final counter-signed contract by Licensee. In the event all or any portion of the sum invoiced is not paid when due, and notwithstanding the provisions of Article 6 of the License Agreement, Springer has the right to terminate the License Agreement without notice. Springer reserves the right to charge interest on any outstanding fees due at prevailing interest rates.

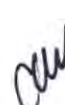

4. Access to the Online Journal

4.1 Archive will be granted through SpringerLink. In the event that Licensee is unable or unwilling to maintain current electronic subscriptions under the License Agreement with Springer, Licensee may still access the Online Journal Archives purchased pursuant to this Agreement through SpringerLink for a hosting fee of [Text deleted] per year or request transfer of such Online Journal Archives to a local host as provided in Attachment 1 provided that Licensee pays the cost associated with the transfer.

4.2 If Licensee's Agreement with Springer expires, is not renewed or is terminated by Licensee or by Springer (except for Licensee's breach of the Agreement), Licensee may, at its option, acquire electronic archival copies of all or part of the Online Journal Archive for the publication years for which the Licensee paid. The electronic archival copies will contain all textual content of the relevant Online Journal Archive but may not contain all links and other features and functionality associated with the online version available to current SpringerLink online service subscribers.

4.3 The titles listed in Attachment 1 will be made available with [Text deleted] the proposed content accessible by October 1, 2005. Springer cannot guarantee electronic access to all issues. Information concerning missing issues and when such content is added to the collection will be posted on SpringerLink.

5. Changes in Content

5.1 The 2005 Online Journal Archive offering will be considered as the base collection which is purchased at the Base Price.

5.2 Each year the price list / offering may contain newly added and/or removed backfiles. Subsequent Online Journal Archive offerings will be announced to customers simultaneously with the regular journal price list.

5.3 New backfiles may be added to SpringerLink once a year and will become available at the start of a new calendar year. Licensee will be offered newly added journal backfiles for a price in line with the existing pricing model (fixed price per volume). If accepted by Licensee, such new journal backfiles will be added to the Online Journal Archive and be subject to the terms and conditions of the License Agreement.

5.4 If ownership of any journal included in the Online Journal Archive is sold or otherwise transferred to another party, Springer will use reasonable efforts to retain a non-exclusive copy of the previously published volumes of such journal and make them available for access by Licensee through SpringerLink.

6. Amendment Incorporated, Agreement Confirmed

6.1 This Amendment is incorporated in its entirety into the License Agreement, and except as modified hereby, the License Agreement and all of the terms, covenants and conditions of the License Agreement are hereby ratified and confirmed and shall remain in full force and effect.

7. Headings

7.1 Section headings in this Amendment are included for convenience of reference only and shall not constitute part of this Amendment for any other purpose.

8. Counterparts

8.1 This Amendment may be executed in any number of separate counterparts all of which when taken together shall be deemed to constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Amendment to Agreement by their respective, duly authorized representatives as of the date first above written. [Text deleted]
