You must treat this database and its contents like any other copyrighted material, such as a book or musical recording. Any other use, duplication, or distribution of this product or its contents in any medium and by any means violates applicable U.S. or international copyright laws, and may subject you to prosecution under penalty of law. No part of the content of this site may be framed within any other site without CUP's prior written permission. CIAO is operated by a non-profit publisher and is supported by grant monies. Misappropriation for commercial use or further distribution is strictly prohibited. By entering the site you are agreeing to these terms. The following are prohibited by law: any reproduction in any media except as licensed, any theatrical, televised, or public display or performance, including unlicensed transmission of any material over a computer network; the preparation of any derivative work, including the extraction in whole or in part of any material without the permission of the copyright holder.

Changed Terms:

Columbia University Press shall have the right at any time to change or modify the terms and conditions applicable to your use of CIAO or to impose new conditions with respect to such use. CUP shall have the right at any time to change or discontinue any aspect or feature of CIAO, including but not limited to content, functionality, hours of availability and equipment needed for access or use. Such changes, modifications, or additions shall be effective immediately upon notice thereof, which may be given by means including but not limited to posting on CIAO, electronic or conventional mail, or any means by which you obtain actual knowledge. Any use of CIAO by you after such notice shall be deemed to constitute acceptance by you of such changes, modifications, or additions. Licensee has the right to terminate within 30 days as the result of any material changes that the Licensee, in its sole discretion, believes adversely affects the value of the product. In this event, the Licensee has the right to a pro-rated refund of the current subscription per the date of termination.

Disclaimer of Warranty; Limitation of Liability:

Neither CUP, its affiliates, nor any third-party content providers or licensors makes any warranty whatsoever, including without limitation: that the operation of CIAO will be uninterrupted or error-free; or as to the accuracy, reliability, availability, suitability, quality, or operation of any information, software, or service provided on or accessible from CIAO. CIAO is provided "as is" without warranties of any kind, express or implied, including without limitation warranties of title and non-infringement and the implied
warranties of merchantability or fitness for a particular purpose. Your use of CIAO is at your sole risk.

Indemnification

CUP shall defend, indemnify, and hold harmless Institution, their officers, agents and employees from all damages, liabilities, costs, fees, including, but not limited to, attorney's fees, resulting from any judgement or settlement agreement arising out of the claim of a third party that CUP's license of products to Institution or Institution's use of said products constitutes an infringement of any patent, copyright, trademark, trade name, trade secret, or other proprietary or contractual right of any third party. NO LIMITATION OF LIABILITY SET FORTH ELSEWHERE IN THIS AGREEMENT IS APPLICABLE TO THIS INDEMNIFICATION. Institution shall give prompt notice of an infringement claim to CUP, provide such cooperation and assistance to CUP as is reasonably necessary to defend the claim, and shall allow CUP to have sole control of the defense, provided, however, that Institution retains the right to participate in the defense at its own expense.

A user may transmit hard copies or electronic copies of the materials to anyone who is not a user authorized under this license provided such transmissions are not on a systematic basis. Materials from CIAO may not be recompiled, manipulated, used to prepare derivative works, or published in another format without written permission from Columbia University Press.
The Institution will not be held responsible for unauthorized use of CIAO provided: such use is without the express or implied consent of the Institution; the Institution promptly notifies Columbia University Press of any such use of which it becomes aware; and the Institution takes all reasonable steps to cause cessation of such activity. The Institution agrees to cooperate with Columbia University Press in any investigation of such infringements or unauthorized uses. Columbia University Press shall have the sole right, at its expense, to bring any action on account of such infringements or unauthorized uses, provided that the Press will not bring an action against any authorized user without first consulting the Institution.

7. Inter-library Loan

Institutions may use hard or electronic copies derived directly or indirectly from the electronic edition of the publications for the purpose of inter-library loan with the same limitations that apply to paper copies for that purpose made from the print edition of the journals. Specifically, copies must be made in compliance with Section 108 of the Copyright Act of the U.S. and with guidelines developed by the National Commission on New Technological Uses of Copyrighted Works (CONTU Guidelines), the text of which is available as part of U.S. Copyright Office Circular 21.

Upon termination of this agreement Columbia University Press shall provide Institution with one (1) complete set of CD-ROMs (or their equivalent at the Press’ option)
containing the content previously licensed by and accessible to Institution as of the date of such termination. Columbia University Press hereby grants to Institution a non-exclusive, royalty-free, perpetual license to use such content in accordance with the terms of Section 1 of this Agreement, which terms shall survive any termination of this Agreement.

11. Conditions Governing the Agreement

The invalidity of any provision of this license agreement as determined by a court of competent jurisdiction shall in no way invalidate any other provision hereof.
