LICENSE AGREEMENT

TAYLOR & FRANCIS GROUP
AND
THE REGENTS OF THE UNIVERSITY OF CALIFORNIA

This License Agreement (this "Agreement") is made effective as of January 1, 2007 (the "Effective Date") between Taylor & Francis Group, an Informa plc business ("Licenser") and The Regents of the University of California, a non-profit academic institution, with its principal offices at The California Digital Library, University of California Office of the President, 415 20th Street, 4th floor, Oakland, CA 94612, USA ("Licensee").

In consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

I. CONTENT OF LICENSED MATERIALS: GRANT OF LICENSE

The materials that are the subject of this Agreement shall consist electronic materials listed in Appendix D (hereinafter referred to as the "Licensed Materials").

The Licensed Materials include all Taylor & Francis journals available online as of December 31, 2006, and any new or transfer journals authorized in writing by Licensee for addition to the Agreement during the contract term for which the appropriate fees have been paid. All published content from 1997 forward that is made available online for the included journals shall be considered part of the Licensed Materials.

Licensee and its Authorized Users acknowledge that the copyright and title to the Licensed Materials and any trademarks or service marks relating thereto remain with Licenser. Neither Licensee nor its Authorized Users shall have right, title or interest in the Licensed Materials except as expressly set forth in this Agreement.

Licenser hereby grants to Licensee non-exclusive, non-transferable, worldwide, perpetual right to the Licensed Materials and to provide the Licensed Materials to Authorized Users in accordance with this Agreement.

II. DELIVERY/ACCESS OF LICENSED MATERIALS TO LICENSEE

Licenser will provide the Licensed Materials to the Licensee in the following manner:

Network Access. The Licensed Materials will be stored at one or more Licenser locations in digital form accessible by telecommunications links between such locations and authorized locations of Licensee.
III. FEES

Licensee shall make payment to Licensor for use of the Licensed Materials as described in Appendix A Business Terms.

All fees are due and payable by Licensee sixty (60) days after the date of invoice from Licensor that is submitted no earlier than sixty (60) days before commencement of current subscription year.

IV. AUTHORIZED USE OF LICENSED MATERIALS

Authorized Users. "Authorized Users" are:

Persons Affiliated with the University of California. Full and part time employees (including faculty, staff, and independent contractors) and students of Licensee and the institution of which it is a part, regardless of the physical location of such persons. For campus locations see Appendix B.

Walk-ins. Patrons not affiliated with Licensee who are physically present at Licensee's site(s) ("walk-ins").

Access by and Authentication of Authorized Users. Licensee and its Authorized Users shall be granted access to the Licensed Materials pursuant to the following:

IP Addresses. Authorized Users shall be identified and authenticated by the use of Internet Protocol ("IP") addresses provided by Licensee to Licensor. The use of proxy servers is permitted as long as any proxy server IP addresses provided limit remote or off-campus access to Authorized Users. Authorized IP Addresses are listed in Appendix C. An updated list will be sent to Licensor on a quarterly basis.

Authorized Uses. Licensee and Authorized Users may make all use of the Licensed Materials as is consistent with the Fair Use Provisions of United States and international copyright laws. In addition, the Licensed Materials may be used for purposes of research, education or other non-commercial use as follows:

Display. Licensee and Authorized Users shall have the right to electronically display the Licensed Materials.

Digitally Copy. Licensee and Authorized Users may download and digitally copy a reasonable portion of the Licensed Materials.

Print Copy. Licensee and Authorized Users may print a reasonable portion of the Licensed Materials.

Recover Copying Costs. Licensee may charge a reasonable fee to cover costs of copying or printing portions of Licensed Materials for Authorized Users.

Archival/Backup Copy. Upon request of Licensee, Licensee may receive from Licensor and/or create one (1) copy of the entire set of Licensed Materials to be maintained as a backup or archival copy during the term of this Agreement, or as required to exercise Licensee's rights.
under section XII, ‘Perpetual License’, of this Agreement. Licensee may engage the services of third-party trusted archives to fulfill the requirements of this provision. Licensor agrees to cooperate with such archiving entities and/or initiatives as reasonably necessary to make the Licensed Materials available for archiving purposes.

Caching. Licensee and Authorized Users may make local digital copies of the Licensed materials in order to ensure efficient use by Authorized Users by appropriate browser or other software.

Collections of Information. Licensee and Authorized Users shall be permitted to extract or use information contained in the Licensed Materials for educational, scientific, or research purposes, including extraction and manipulation of information for the purpose of illustration, explanation, example, comment, criticism, teaching, research, or analysis.

Course Packs. Licensee and Authorized Users may use a reasonable portion of the Licensed Materials in the preparation of Course Packs or other educational materials.

Course Reserves (Print and Electronic). Licensee and Authorized Users may use a reasonable portion of the Licensed Materials for use in connection with specific courses of instruction offered by the University of California.

Electronic Links. The University of California is committed to the use of the emerging OpenURL standard to allow linking to related materials in other locations. If Licensor does not use the OpenURL standard, Licensor staff will provide information to Licensee upon request to assist the Licensee in creating links directly from UC’s library catalogs and licensed resources to the content at the journal, issue and article levels.

Scholarly Sharing. Authorized Users may transmit to a third party in hard copy or electronically, minimal, insubstantial amounts of the Licensed Materials for personal use or scholarly, educational, or scientific research or professional use but in no case for resale or commercial purposes.

Interlibrary Loan. Using secure electronic, paper, or intermediated means such as Ariel, Licensee may fulfill occasional requests from other institutions, a practice commonly called Interlibrary Loan. Licensee agrees to fulfill such requests in compliance with Section 108 of the United States Copyright Law (17 USC §108, “Limitations on exclusive rights: Reproduction by libraries and archives”) and the Guidelines for the Proviso of Subsection 108(2g)(2) prepared by the National Commission on New Technological Uses of Copyrighted Works.

Amount of Authorized Use.

Unlimited Access. Subject to the terms of this Agreement, Licensee and its Authorized Users shall have unlimited access to the Licensed Materials.

V. SPECIFIC RESTRICTIONS ON USE OF LICENSED MATERIALS

Unauthorized Use. Licensee shall not knowingly permit anyone other than Authorized Users to use the Licensed Materials.
Modification of Licensed Materials. Licensee shall not modify, manipulate, or create a derivative work of the Licensed Materials without the prior written permission of Licensor.

Removal of Copyright Notice. Licensee may not remove, obscure or modify any copyright or other notices included in the Licensed Materials.

Commercial Purposes. Licensee may not use the Licensed Materials for commercial purposes, including but not limited to the sale of the Licensed Materials, fee-for-service use of the Licensed Materials, or bulk reproduction or distribution of the Licensed Materials in any form; nor may Licensee impose special charges on Authorized Users for use of the Licensed Materials beyond reasonable printing or administrative costs.

VI. MUTUAL PERFORMANCE OBLIGATIONS

User Surveys. Licensee and Licensor shall cooperate on the preparation and provision of user surveys to solicit feedback on the Licensed Materials from Authorized Users.

Confidentiality of User Data. Licensor and Licensee agree to maintain the confidentiality of any data relating to the usage of the Licensed Materials by Licensee and its Authorized Users. Such data may be used solely for purposes directly related to the Licensed Materials and may only be provided to third parties in aggregate form. Raw usage data, including but not limited to information relating to the identity of specific users and/or uses, shall not be provided to any third party.

Implementation of Developing Security Protocols. Licensee and Licensor shall cooperate in the implementation of security and control protocols and procedures as they are developed during the term of this Agreement.

VII. LICENSOR PERFORMANCE OBLIGATIONS

Availability of Licensed Materials. Upon the Effective Date of this Agreement, Licensor shall make the Licensed Materials available to Licensee and Authorized Users.

Documentation. Licensor will provide and maintain help files and other appropriate user documentation.

Training and Support. Licensor will offer installation support, including assisting with the implementation of any Licensor software. Licensor will provide appropriate training to Licensee staff relating to the use of the Licensed Materials and any Licensor software. Licensor will offer reasonable levels of continuing support to assist Licensee and Authorized Users in use of the Licensed Materials. Licensor will make its personnel available by email, phone or fax during regular business hours, Monday through Friday for feedback, problem-solving, or general questions.

Quality of Service. Licensor shall use reasonable efforts to ensure that the Licensor's server or servers have sufficient capacity and rate of connectivity to provide the Licensee and its Authorized Users with a quality of service comparable to current standards in the on-line information provision industry in the Licensee's locale.
Licensor shall use reasonable efforts to provide continuous service seven (7) days a week with an average of 98% up-time per month. The 2% down-time includes periodic unavailability due to maintenance of the server(s), the installation or testing of software, the loading of additional Licensed Materials as they become available, and downtime related to the failure of equipment or services outside the control of Licensor, including but not limited to public or private telecommunications services or internet nodes or facilities. Scheduled down-time will be performed at a time to minimize inconvenience to Licensee and its Authorized Users.

If the Licensed Materials fail to operate in conformance with the terms of this Agreement, Licensee shall immediately notify Licensor, and Licensor shall promptly use reasonable efforts to restore access to the Licensed Materials as soon as possible. In the event that Licensor fails to repair the nonconformity in a reasonable time, Licensor shall reimburse Licensee in an amount that the nonconformity is proportional to the total Fees owed by Licensee under this Agreement.

Notification of Modifications of Licensed Materials. Licensee understands that from time to time the Licensed Materials may be added to, modified, or deleted from by Licensor and/or that portions of the Licensed Materials may migrate to other formats. Licensor shall use best efforts to give a ninety (90) day notice of any such changes to Licensee, particularly where a substantial amount of material was affected.

Completeness of Content. Licensor shall use reasonable efforts to ensure that the online content is at least equivalent to print versions of the Licensed Materials, represents complete, faithful and timely replications of the print versions of such Materials, and will cooperate with Licensee to identify and correct errors or omissions.

Continued Training. Licensor will provide regular system and project updates to Licensee as they become available. Licensor will provide additional training to Licensee staff made necessary by any updates or modifications to the Licensed Materials or any Licensor software.

Notice of Terms of "Click-Through" License Terms. In the event that Licensor requires Authorized Users to agree to terms relating to the use of the Licensed Materials before permitting Authorized Users to gain access to the Licensed Materials (commonly referred to as "click-through" licenses), Licensor shall provide Licensee with notice of and an opportunity to comment on such terms prior to their implementation. In no event shall the terms of such "click-through" licenses materially differ from the provisions of this Agreement. In the event of any conflict between the terms of such "click-through" licenses and this Agreement, the terms of this Agreement shall prevail.

Usage Statistics. Licensor must provide both composite use data for the system-wide CDL and itemized data for individual campuses, on a monthly basis. Use data should be at the level of detail required for objective evaluation of both product performance and satisfaction of user needs, including title-by-title use of journals. Providers should follow the International Coalition of Library Consortia (ICOLC) "Guidelines for Statistical Measures of Usage of Web-Based Information Resources" or provide information in compliance with COUNTER or other recognized international standard.

Compliance with Americans with Disabilities Act. Licensor shall make reasonable efforts to comply with the Americans with Disabilities Act (ADA).
VIII. LICENSEE PERFORMANCE OBLIGATIONS

Provision of Notice of License Terms to Authorized Users. Licensee shall make reasonable efforts to provide Authorized Users with appropriate notice of the terms and conditions under which access to the Licensed Materials is granted under this Agreement including, in particular, any limitations on access or use of the Licensed Materials as set forth in this Agreement.

Provision of Notice of Intellectual Property Right to Authorized Users. Licensee shall make reasonable efforts to provide Authorized Users with notice of any applicable Intellectual Property or other rights applicable to the Licensed Materials. Licensee shall make reasonable efforts to prevent the infringement of any Intellectual Property or other rights of the Licensor in the Licensed Materials. Licensee shall promptly notify Licensor of any infringement that comes to Licensee's attention, and take appropriate steps to avoid its recurrence.

Protection from Unauthorized Use. Licensee shall use reasonable efforts to protect the Licensed Materials from any use that is not permitted under this Agreement. In the event of any unauthorized use of the Licensed Materials by an Authorized User, (a) Licensor may terminate such Authorized User's access to the Licensed Materials, (b) Licensor may terminate the access of the Internet Protocol ("IP") address(es) from which such unauthorized use occurred, and/or (c) Licensee shall terminate such Authorized User's access to the Licensed Materials upon Licensor's request. Licensor shall take none of the steps described in this paragraph without first providing a sixty (60) day notice to Licensee and cooperation with the Licensee to avoid recurrence of any unauthorized use.

Maintaining Confidentiality of Access Passwords. Where access to the Licensed Materials is to be controlled by use of passwords, Licensee shall issue log-on identification numbers and passwords to each Authorized User and use reasonable efforts to ensure that Authorized Users do not divulge their numbers and passwords to any third party.

IX. TERM

This Agreement shall continue in effect for three years commencing on the Effective Date.

X. RENEWAL

This agreement shall be renewable at the end of the current term for a successive one-year terms unless either party gives written notice of its intention not to renew thirty (30) days before expiration of the current term.

XI. EARLY TERMINATION

In the event that either party believes that the other materially has breached any obligations under this Agreement, or if Licensor believes that Licensee has exceeded the scope of the License, such party shall so notify the breaching party in writing. The breaching party shall have sixty (60) days from the receipt of notice to cure the alleged breach and to notify the non-breaching party in writing that cure has been effected. If the breach is not cured within the sixty (60) day period, the non-breaching party shall have the right to terminate the Agreement without further notice.
Upon Termination of this Agreement for cause online access to the Licensed Materials by Licensee and Authorized Users shall be terminated. Authorized copies of Licensed Materials may be retained by Licensee or Authorized Users and used subject to the terms of this Agreement.

In the event of early termination permitted by this Agreement, Licensee shall be entitled to a refund of any fees or pro-rata portion thereof paid by Licensee for any remaining period of the Agreement from the date of termination, except where termination is breach of contract by Licensee.

**XII. PERPETUAL LICENSE**

Notwithstanding anything else in this Agreement, Licensor hereby grants to Licensee a nonexclusive, royalty-free, perpetual license to use any Licensed Materials that were accessible during the term of this Agreement. Such use shall be in accordance with the provisions of this Agreement, which provisions shall survive any termination of this Agreement. The means by which Licensee shall have access to such Licensed Materials shall be in a manner and form substantially equivalent to the means by which access is provided under this Agreement.

**XIII. WARRANTIES**

Subject to the Limitations set forth elsewhere in this Agreement:

Licensor warrants that it has the right to license the rights granted under this Agreement to use Licensed Materials, that it has obtained any and all necessary permissions from third parties to license the Licensed Materials, and that use of the Licensed Materials by Authorized Users in accordance with the terms of this Agreement shall not infringe the copyright of any third party.

Licensor warrants that the physical medium, if any, on which the Licensed Materials is provided to Licensee will be free from defects for a period of ninety (90) days from delivery.

**XIV. LIMITATIONS ON WARRANTIES**

Notwithstanding anything else in this Agreement:

Neither party shall be liable for any indirect, special, incidental, punitive or consequential damages, including but not limited to loss of data, business interruption, or loss of profits, arising out of the use of or the inability to use the Licensed Materials.

Licensor makes no representation or warranty, and expressly disclaims any liability with respect to the content of any Licensed Materials, including but not limited to errors or omissions contained therein, libel, infringement of rights of publicity, privacy, trademark rights, moral rights, or the disclosure of confidential information.

Except for the express warranties stated herein, the Licensed Materials are provided on an "as is" basis, and Licensor disclaims any and all other warranties, conditions, or representations (express, implied, oral or written), relating to the Licensed Materials or any part thereof.
including, without limitation, any and all implied warranties of quality, performance, merchantability or fitness for a particular purpose. Licensor makes no warranties respecting any harm that may be caused by the transmission of a computer virus, worm, time bomb, logic bomb or other such computer program. Licensor further expressly disclaims any warranty or representation to Authorized Users, or to any third party.

**XV. INDEMNITIES**

The Licensor shall indemnify and hold Licensee and Authorized Users harmless for any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any claim by any third party of an alleged infringement of copyright or any other property right arising out of the use of the Licensed Materials by the Licensee or any Authorized User. NO LIMITATION OF LIABILITY SET FORTH ELSEWHERE IN THIS AGREEMENT IS APPLICABLE TO THIS INDEMNIFICATION.

Each party shall indemnify and hold the other harmless for any losses, claims, damages, awards, penalties, or injuries incurred, including reasonable attorney's fees, which arise from any alleged breach of such indemnifying party's representations and warranties made under this Agreement, provided that the indemnifying party is promptly notified of any such claims.

The indemnifying party shall have the right to defend such claims at its own expense. The other party shall provide assistance in investigating and defending such claims as the indemnifying party may reasonably request and have the right to participate in the defense at its own expense.

**XVI. ASSIGNMENT AND TRANSFER**

Neither party may assign, directly or indirectly, all or part of its rights or obligations under this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed.

**XVII. GOVERNING LAW**

This Agreement shall be interpreted and construed according to, and governed by, the laws of California, excluding any such laws that might direct the application of the laws of another jurisdiction. The federal or state courts located in California shall have jurisdiction to hear any dispute under this Agreement.

**XVIII. DISPUTE RESOLUTION**

In the event any dispute or controversy arising out of or relating to this Agreement, the parties agree to exercise their best efforts to resolve the dispute as soon as possible. The parties shall, without delay, continue to perform their respective obligations under this Agreement which are not affected by the dispute.

Mediation. In the event that the parties cannot by exercise of their best efforts resolve the dispute, they shall submit the dispute to Mediation. The parties shall, without delay, continue to perform their respective obligations under this Agreement which are not affected by the dispute. The invoking party shall give to the other party written notice of its decision to do so, including a description of the issues subject to the dispute and a proposed resolution thereof. Designated representatives of both parties shall attempt to resolve the dispute within five (5) working days.
after such notice. If those designated representatives cannot resolve the dispute, the parties shall meet at a mutually agreeable location and describe the dispute and their respective proposals for resolution to responsible executives of the disputing parties, who shall act in good faith to resolve the dispute. If the dispute is not resolved within thirty (30) calendar days after such meeting, the dispute shall be submitted to binding arbitration in accordance with the Arbitration provision of this Agreement.

Arbitration. Any controversies or disputes arising out of or relating to this Agreement shall be resolved by binding arbitration in accordance with the then current Commercial Arbitration Rules of the American Arbitration Association. The parties shall endeavor to select a mutually acceptable arbitrator knowledgeable about issues relating to the subject matter of this Agreement. In the event the parties are unable to agree to such a selection, each party will select an arbitrator and the arbitrators in turn shall select a third arbitrator. The arbitration shall take place at a location that is reasonably centrally located between the parties, or otherwise mutually agreed upon by the parties.

All documents, materials, and information in the possession of each party that are in any way relevant to the claim(s) or dispute(s) shall be made available to the other party for review and copying no later than sixty (60) days after the notice of arbitration is served.

The arbitrator(s) shall not have the authority, power, or right to alter, change, amend, modify, add, or subtract from any provision of this Agreement or to award punitive damages. The arbitrator shall have the power to issue mandatory orders and restraining orders in connection with the arbitration. The award rendered by the arbitrator shall be final and binding on the parties, and judgment may be entered thereon in any court having jurisdiction. The agreement to arbitration shall be specifically enforceable under prevailing arbitration law. During the continuance of any arbitration proceeding, the parties shall continue to perform their respective obligations under this Agreement.

**XIX. FORCE MAJEURE**

Neither party shall be liable in damages or have the right to terminate this Agreement for any delay or default in performing hereunder if such delay or default is caused by conditions beyond its control including, but not limited to Acts of God, Government restrictions (including the denial or cancellation of any export or other necessary license), wars, insurrections, strikes or other work stoppages, and/or any other cause beyond the reasonable control of the party whose performance is affected.

**XX. ENTIRE AGREEMENT**

This Agreement constitutes the entire agreement of the parties and supersedes all prior communications, understandings and agreements relating to the subject matter hereof, whether oral or written.

**XXI. AMENDMENT**

No modification or claimed waiver of any provision of this Agreement shall be valid except by written amendment signed by authorized representatives of Licensor and Licensee.
XXII. SEVERABILITY

If any provision or provisions of this Agreement shall be held to be invalid, illegal, unenforceable or in conflict with the law of any jurisdiction, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

XXIII. WAIVER OF CONTRACTUAL RIGHT

Waiver of any provision herein shall not be deemed a waiver of any other provision herein, nor shall waiver of any breach of this Agreement be construed as a continuing waiver of other breaches of the same or other provisions of this Agreement.

XXIV. NOTICES

All notices given pursuant to this Agreement shall be in writing and may be hand delivered, or shall be deemed received within five (5) business days after mailing if sent by registered or certified mail, return receipt requested. If any notice is sent by facsimile, confirmation copies must be sent by U.S. Mail or hand delivery to the specified address. Either party may from time to time change its Notice Address by written notice to the other party.

XXV. Notice of the Use of Digital Rights Management Technology

In the event that Licensor utilizes any type of digital rights management technology to control the access or the usage of Licensed Product, Licensor agrees to notify Licensee of the name, contact information and any technical specifications for the digital rights management technology utilized, the name, contact information and any technical specifications for the digital rights management technology utilized.
XXVI. Notice of the Use of Digital Watermarking Technology

If Licensor utilizes any type of digital watermarking technology for any element of the Licensed Product, Licensor agrees that watermarks will not be visible to the human eye and will not degrade image quality. These watermarks shall not contain user-related information such as account number or IP address. If digital watermarking technology is used, Licensor agrees to notify Licensee, in advance, of the name, contact information, and any technical specifications for the technology used.

XXVI. Funding Contingency

The University of California reasonably believes that funds can be obtained sufficient to pay all monies due during the term of this Agreement and hereby covenants that it will do all things lawfully within its power to obtain, maintain, and properly request and pursue funds from which payments for this transaction may be made, including making provisions for such payments to the extent necessary in each budget submitted for the purpose of obtaining funding, using its bona fide best efforts to have such portion of the budget approved and exhausting all available administrative review and appeals in the event such portion of the budget is not approved. It is the University of California's intent to make payments for the full term of this transaction. The University of California represents that the use of the materials under this transaction are essential to its proper, efficient and economic operation.

In the event no funds or insufficient funds are appropriated and budgeted and are not otherwise legally available by any means whatsoever in any fiscal period for payments due under this transaction, the University of California will immediately notify Licensor of such occurrence and this transaction shall terminate on the last day of the subscription period for which payment has been made without penalty of expense to the University of California of any kind whatsoever, except as to the portions of payments herein agreed for which funds shall have been appropriated and budgeted or otherwise available. In the event of such termination the University of California shall maintain its perpetual right to materials licensed under the subscription periods for which it has fully paid.

XXVII. Open Access

In the event that Licensor offers an open access option to its authors, Licensor agrees to:

- Annually review the number of open access articles published in the Licensed Materials under the open access option. For each product in which such articles are published, Licensor will share with Licensee the following information:
  * the number of articles published under the open access option by University of California authors, listed journal title and by campus
  * the number of articles published under the open access option by all authors, listed by journal title.

- Review the subscription prices of each journal with respect to the uptake of the open access option and enter into good faith discussions with Licensee concerning mechanisms by which open access publication fees can offset the subscription fees paid by Licensee and other subscribers of the Licensed Materials, with a goal of reducing subscription fees in proportion to the revenue received through such publication fees. The relevant information will be published on each journal's home page.
IN WITNESS WHEREOF, the parties have executed this Agreement by their respective, duly authorized representatives as of the date first above written.

Appendix A
Business Terms

Licensed Materials: The Licensed Materials include all Taylor & Francis journals available online as of December 31, 2006, and any new or transfer journals authorized in writing by Licensee for addition to the Agreement during the contract term for which the appropriate fees have been paid. All published content from 1997 forward that is made available online for the included journals shall be considered part of the Licensed Materials.

Base Contract Value for 2007: The Base Value of the contract shall be the 2006 e-only list price of UC library subscriptions for all Taylor & Francis titles available online as of January 1, 2007 (excluding designated CRC Journals for which a separate license fee has been paid), plus the applicable capped increases. **The Base Value in 2007 shall be**

Annual Subscription Fee: In 2007, the Annual Subscription Fee shall be equal to the Base Value of the Agreement for 2007. In the second and subsequent year(s), the Annual Subscription Fee shall be equal to the previous year’s subscription fee plus any applicable capped increases, adjusted for Lost or Ceased Journals and for Transfer or New Journals selected and authorized in writing by Licensee for inclusion in the Agreement.

Full Access Fee: In addition to the Annual Subscription Fee, a Full Access Fee equivalent to of the Annual Subscription Fee shall be paid for online access to the Licensed Materials by authorized users at all campuses of the University of California, regardless of the subscription status of the included journals at any given campus.

Cap on Annual Subscription Fees: In 2007 and in each succeeding renewal period for the remaining two years of the contract term, subscription fees for the Licensed Titles will be capped at the annual percentage increases enumerated below. The negotiated cap is a maximum, not a minimum. If the list price online rate for any title covered by the contract is lower than the stated capped fees, the lower figure will apply for that title.

Annual Increase Caps:
Social Science and Humanities Titles (SSH):
Science, Technology, and Medicine Titles (STM):

Titles Lost to Publisher or Ceased: Lost and ceased titles to which Licensee has existing subscriptions shall be deducted from the Annual Subscription Fee at the e-only capped price multiplied by the number of UC subscriptions. Adjustments shall be taken prior to calculating the Full Access Fee. Licensee will continue to have full online access to the archive of lost and ceased journals. In the case of titles transferring to another publisher, Licensor will make best efforts to secure continuing access rights for Licensee, which may be provided by the new publisher.

Title Substitution: Licensor will use all reasonable endeavors to notify Licensee of new titles and titles transferring from other Publishers for the succeeding year by November 15 of the previous year. Licensee may substitute subscribed titles with new and transfer titles of comparable value (in current year list price) without alteration to the Annual Subscription Fee no more than once annually by giving Licensor notice by January 31 of each year. That is, the combined list price value of substituted titles will be comparable to the combined list price value of replaced titles. Licensee will be able to exchange no more than of the total list price value of titles in its Licensed Title list. Licensee will notify Licensor of new or transfer journals to be added and titles for which substitutions shall be made by January 31 of each year. Licensee will continue to have full online access to the archive of substituted journals.
Transfer Titles: Licensor will use all reasonable endeavors to notify Licensee of titles transferring from other publishers for the succeeding year by November 15th of the previous year. Beginning in year 2 of the Agreement, the cost to add these titles to the Agreement (beyond any titles added under the Title Substitution clause) will be the e-only value of the Licensee's current print or online subscriptions (in the year of addition) plus the Full Access fee. Where Licensee does not hold current subscriptions, the cost will be the e-only list price plus the Full Access fee. After the November 15th notification date, Licensee shall be granted full licensed rights (in the year of addition) to any journals that transfer to Licensor for which campuses already have made subscription payments; these journals may be added to the Agreement in the subsequent year at the capped e-only value of the Licensee's current print or online subscriptions. Licensor will add transfer titles to the Agreement only upon written authorization by the Licensee.

New journals launched by Taylor & Francis: Newly-launched journals shall be available to Licensee at no charge in the first year of publication. In the second year of publication, new titles shall be available to Licensee at of the e-only list price plus the Full Access fee; in the third year and following, new titles shall be available at full e-only list price plus the Full Access fee. New journals shall only be added to the Agreement upon written authorization by Licensee.

Print Cancellations and DDP Rates: There are no restrictions on canceling print or other format subscriptions of the Licensed Titles by campuses. Print subscriptions of Licensed Titles are optionally available to UC campus libraries as follows:

UC Subscribed Titles: of U.S. subscription list price (discount). In 2007 only, campus print+online subscriptions will be paid at of list price, with credited towards print, where selected, and the balance applied to the online cost. In 2008 & 2009, campuses will renew print at the DDP rate.

UC Unsubscribed Titles: of U.S. subscription list price (discount), beginning in 2007

Licensor will use all reasonable endeavors to transmit this deeply discounted print rate (DDP) rate to Serials Agents (Ebsco, Harrassowitz, Swets), along with a list of Licensed Titles to which it applies, no later than October 1 of each year.

Perpetual Rights: The Licensee shall be granted perpetual rights to the Licensed Materials as per section XII of this Agreement. In addition, Licensor grants to Licensee perpetual rights to all currently unsubscribed titles that were available in 2006 for a one-time fee of This will include perpetual rights to both pre-2007 content for those titles and ongoing content published from 2007 forward.

Shared print archive: At Licensee's request, beginning in 2008 Licensor will provide to Licensee a single print archival copy of the titles selected from the Licensed Materials, on a mutually agreed upon schedule, shipped to a single ship-to address at no additional cost beyond the Base Value of the Agreement. This term does not apply if Licensor ceases to produce paper editions of such titles. The print copies will be shipped to:

UC Shared Journal Collection
c/o YRL Serials
Young Research Library
Box 951575
Los Angeles, CA 90015-1575
Licensee will notify Licensor directly of titles to be shipped and of any changes to the ship-to address by January 31 of each year. The print copies will be housed in a UC or other designated regional storage facility.

**Publisher Acquisitions:** Should Licensor acquire in whole or substantial part the title list or other assets of another publisher with whom Licensee has an existing contract, the terms of that existing contract shall be honored through the expiration of its then-current term unless otherwise mutually agreed to in writing by both Licensor and Licensee. Upon expiration, Licensor and Licensee shall negotiate in good faith to arrive at mutually acceptable terms for online access to the affected materials. Notwithstanding the foregoing, Licensor shall honor all perpetual and other surviving rights of Licensee provided under contract with the previous publisher.

**Payment terms:** The Licensee will pay a single invoice for the Annual Subscription Fee. In 2007, this invoice will be reduced by the online value (30% of the print + online list price) for 2007 payments made by campus libraries for subscriptions included in the 2007 Base Contract Value.

**Early Payment Discount:** The best available early payment discount terms, if any, will be extended to Licensee in each year of the Agreement.

**CRC Journals Separately Licensed:** The UC campuses have separately licensed CRC Press online content with perpetual rights, including journals, for a ten year period, through 2012. Terms included a substantial one-time payment with annual access fees. No additional fees are due for these journals:
