After termination of the License, Wiley will provide the Licensee with access to the full text of the Licensed eMRWs published during the Term of this License, either by continuing online access to the same material on Wiley's server or by means of an archival copy in the electronic medium selected by Wiley, at a cost-based fee agreed to by both parties.

Upon request, UC may receive during the term of the agreement from Wiley the entire set of materials licensed under this agreement and create one (1) copy to be maintained as a backup or archival copy or as required to exercise UC's perpetual rights, as stated above.
