

# ARTstor User Support Liaisons

## University of California

Last revised: April 2012

The role of the ARTstor support liaison is to assist end-users with ARTstor (e.g., relay ARTstor news, grant instructor-level privileges) and to relay technical news (e.g., software upgrades) to campus computing/instructional technology.

**Technical contact** for all campuses is CDL ([Margery.Tibbetts@ucop.edu](mailto:Margery.Tibbetts@ucop.edu)).
